Beth
Blackwell

for Ward 1 Councillor
Municipality of Kincardine

October 24, 2022

If elected as a member of council, I intend to use my skills, experience, knowledge and passion to get things done. Let's work together to ensure that the Municipality of Kincardine thrives, both today and for generations to come.

Approachable and Responsive Representation

I am committed to improving communications through weekly office hours and a visible community presence.

Respectful and Collaborative Leadership

My approach to good governance involves consultation, respectful debate and evidence-based decision-making

Safe, Healthy and Resilient Citizens

I will promote community wellness through recreation, well-prepared emergency services and health care.

Responsible Growth and Development

I will advocate for diverse housing stock, park space and active transportation networks to build vibrant communities.

Inclusive, Dynamic and Welcoming Community

I believe services and spaces should be accessible, reflect our growing diversity, and contribute to a sense of belonging.

Sustainable Resource Management

I will act as a responsible steward of community assets including financial, capital, natural and human resources.
